Annual Statistics

As per the Sexual Violence and Harassment Action Plan Act, a report was submitted to the Ministry of Advanced Education and Skills Development on May 1, 2018. The report includes statistics on the number of formal complaints/reports of sexual violence made by students from September 1, 2017 to December 31, 2017 under the following six categories: sexual assault, sexual harassment, stalking, indecent exposure, voyeurism and sexual exploitation. The report also includes information on awareness/education, services and supports.
