Coordinators, and the Sexual Violence Task Forncæddition, the SRRO participated in the 2021 Niagara College and Worldwide Application Days and provide dierpth sexual violence awareness information to prospective students. The event was attended by over 1000 prospective students and partners from over 89 countries. The SRRO also collaborated twice with From Stodlege to host a joint virtual event titled Slay the Stigmwhich was attended by studenæt both institutions, and allowed or a safe space for students to engage prendialogue around a variety stexual healthopics.

Niagara College, in collaboration with internal and external partners, continuous ild strong relationships with the community. Life 1807 (e) 1807 (

The new SVPRC position as enabled the SRRO to engage in further individualized educational, work where appropriate, promoting accountability, impact awareness, areal couraging personal reflection with students found responsible for violating the Sexual exception.

## MOVING FORWARD

The addition of the partime SVPRC position 2021 allowed the SRRO to develop and implement new programming and initiatives while also providing dedicated position for supporting students impacted by sexual and genderased violence. However, it was challenging to conduct this important work and provide comprehensive service sithin a partime capacity. We are thrilled to adviste in April 2022, the SRRO hired a fulline SVPROwhich will allow for increased another robust educational programming, efficient response times for supporting students, campus community suppose, surpose times for postsecondary institutions

On behalf of the Collegene SRRO is engaging in the ensive process of reviewing and updating the College's Sexual Violence lipsy which will include input and review from the diverse members of the College community and the College's Sexual Violence Task Force. This review will be that our policy is framed within an antippressive and trauma informed lensaling med with best practices and reflects
